Event 2024

How to navigate the
complexity of
sustainability?

VENUE?

Tues. 4 & Wed. 5 June
2024

MIX

Boulevard du Souverain 25,
1170 Brussels

FOR WHO?

Day 1: Members only

Day 2: Open to all
Sustainability enthusiasts

What to expect for this 2024 Edition?

Day 1 - Tuesday 4 June

- Exclusively for amfori members
- Immersive workshops
- Practical Sustainability case studies
- Under Chatham House rules
- Open dialogue and collective leverage
- Networking opportunities

Day 2 – Wednesday 5 June

- Open to a diverse audience
- Engaging expert-led panel discussions
- Delve into due diligence journeys
- Inspiring keynote speaker
- amfori product experts showcasing due diligence steps in practice
- Networking opportunities

Reasons to Attend

1

Distinguished keynote speeches

will shed light and stimulate reflection on the complexity of addressing sustainability challenges. Their insights will inspire thoughtful discourse on the critical role of collaborative industry initiatives as a key enabler to ensure the successful implementation of high policy ambitions in the pursuit of a more sustainable future.

2

One day exclusive for members

designed to foster mutual support and facilitate the sharing of knowledge, successes, and challenges among peers. This first day operates under the Chatman House Rules, which encourage collaborative exploration of solutions with fellow members. We encourage the sharing of insights through immersive workshops and practical case presentations.

3

Engaging panel discussions

will offer participants practical knowledge and invaluable insights on how amfori can support companies in their due diligence journeys. Attendees will have the opportunity to delve into inspiring discussion on corporate sustainable reporting, gaining a firsthand understanding of the positive impacts achievable through collaborative efforts.

4

Concrete Networking opportunities

Perfect setting for cultivating and strengthening meaningful relationships will be provided; helping you to broaden your professional network and raise a toast to the promising future of your ESG Due Diligence journey! amfori annual event offers not only knowledge and insights but also the chance to forge connections that will contribute to a brighter, shared future
